APPLICATION TO OPERATE A TEMPORARY FOOD ESTABLISHMENT

Iowa law prohibits a food establishment (including a Temporary Food Establishment) from opening or operating until a license has first been obtained from the appropriate regulatory authority. Penalty Fees will be assessed for operating without the appropriate licensure. **A Temporary Food Establishment is a food establishment that operates for a period of no more than 14 consecutive days in conjunction with a single event. An "Event" is a significant occurrence or happening sponsored by a civic, business, governmental, community, or veterans organization and may include an athletic contest. For example, an event does not include a single store's grand opening or sale.**

Completed applications and documents must be submitted at least **3 days prior** to the Event.

Temporary food establishments that operate simultaneously at more than one stand at an event are required to have a separate license for each location. Once the application, other required documents and appropriate fees are received and processed, the Department will review the information to determine if a Temporary License may be issued.

TYPE or PRINT IN INK. INCOMPLETE APPLICATIONS WILL BE RETURNED WITHOUT REVIEW.

Permit will be sent to the e-mail address provided.
